

ACACIAWOOD

PREPARATORY ACADEMY

August 23, 2020

Dear Orange County Health Officer:

RE: Waiver to Return to School Physically

AcaciaWood Preparatory Academy is a small, private school located in the city of Anaheim. The following letter and document (waiver form) are being submitted to you for review and consideration for a physical return to school as soon as possible.

Because we are a very small school (currently 96 students from K-12th grade), we feel that the virtual learning directive set forth by the governor last month has been quite disruptive to our ability to properly educate our students in the manner we feel is most appropriate and effective. We are able to properly space our students and faculty and we are able to ensure the safety of our students.

We have spoken to all the faculty members of the school, all the parents of our students, and affiliated or nearby labor organizations regarding our desire to return to school physically, and the feeling among the vast majority of each group is that a return to the school would be best for the students and school.

Included with this letter is a completed copy of the waiver form.

Should you have any questions or require additional information, please feel free to contact me. My email address and phone number are listed in the waiver form.

Thank you for your consideration.

Sincerely,

Jim Miller
Principal, AcaciaWood Preparatory Academy
