EAGLES EXCAVATION

By: Sarah Bolton

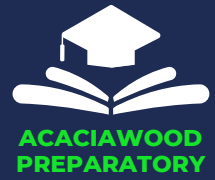

At the end another successful school year, the highly anticipated Senior Banquet was held on May 18, 2023 to formally address and bid adieu to our precious seniors. Led by Mr. Hageman, the junior, and occasionally sophomore, classes plan and execute the annual banquet, meticulously devising the theme and crafting detailed speeches to present to the seniors and guests. They chose the theme of precious stones this year to individually connect to the seniors' rarity and integrity. The stones moonstone, sapphire, opal, jade, ruby, lapis lazuli, smoky quartz, and amethyst were chosen to represent each senior uniquely. We are so proud of what our seniors have accomplished this year and wish them the very best in the next chapter of their lives.

EAGLES TAKE FLIGHT

Following the banquet, the Class of 2023 officially completed their high school career on May 20, 2023. The ceremony was hosted in the front yard of AWP and to conclude, students, friends, and families met in the MPR to personally congratulate the seniors. The guests also enjoyed the individual senior tables, displaying milestones throughout their lives with pictures, trophies, jerseys, etc. As a part of their presentation, the seniors chose to relate their class to the McDonald's menu, connecting and pointing out their strengths in each other in relation to specific menu items like fries, the Big Mac, McSpicy, iced coffee, etc. Congratulations to our beloved class of 2023!
